Raising a concern

Mount Ridley P-12 College is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed your child’s Mentor Teacher. Where possible, the College staff will work with you to ensure that your concerns are appropriately addressed.

Making a complaint

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to a Principal Class Member.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our College will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please either email, telephone or arrange a meeting through the front office with the appropriate Principal Class member, to outline your complaint. This will provide opportunity to fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- 2. Information gathering:** Depending on the issues raised in the complaint, the Principal Class member may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
- 3. Response:** Where possible, a resolution meeting will be arranged with the Principal Class member to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.

- 4. Timelines:** Mount Ridley P-12 College will acknowledge receipt of your complaint as soon as possible (usually within two working days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Mount Ridley P-12 College may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Mount Ridley P-12 College will consult with you and discuss any interim solutions to the dispute that can be put in place.

Please note that unreasonable conduct (e.g. vexatious complaints) may need to be managed differently to the procedures in this policy.

Resolution

Where appropriate, Mount Ridley P-12 College may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with the College values that are intended to support the student, parent and the College relationship, engagement, and participation in the College community.

In some circumstances, Mount Ridley P-12 College may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation

If you are not satisfied that your complaint has been resolved by the College, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the DET's North Western Regional Office by contacting 1800 338 691.
