

COMMUNICATION DIRECTORY

The Staff at Mount Ridley P – 12 College value open communication with parents/carers and are committed to supporting the learning needs of their students. The Communication directory is aimed at providing you with an outline of College personnel who are able to assist you.

Key roles and responsibilities are shared across the College so that matters can be attended to as directly as possible. Please take the time to acquaint yourself with this document. In addressing parent/carer enquiries, the College will ensure that they are undertaken in a timely manner. With respect to email communication, the following protocols apply:

- Staff will respond to enquiries within 2 school days of receiving an email;
- Staff reserve the right to refer a matter to the relevant Program Leader or Principal Class Officer where the matter requires this level of response. Staff will advise the sender where this has been the response;
- Emails are subject to the same requirements of courtesy and consideration as would apply to other forms of communication, such as a letter or face-to-face conversation;
- Emails are not private and must be written with the understanding that other teachers, coordinators or wellbeing staff may see them;
- There is no expectation of staff to respond to emails after hours – weekends or after 4:15pm on weekdays.

Mentor Teachers are the initial contact for classroom curriculum and student wellbeing matters.
