

Dear Parent/Carers

Mount Ridley P-12 College is looking forward to another great year of teaching and learning and would like to advise you of Mount Ridley P-12 College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our College can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our College and the programs we can offer.

Within our school, your support in 2025 has allowed us to:

- Maintain a wide range of subjects and special curriculum experiences for our students across all year levels
- Upgrade and purchase of additional IT devices for student use
- Construction of a purpose-built Student Advocacy Hub
- Renew external student passive and recreation areas

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely

Lino Pagano
College Principal

Financial Support for Families

Mount Ridley P-12 College continually considers the financial situations facing its families. For this reason, the voluntary financial contributions listed are the minimum amounts which will enable our College Council to continue providing the high-quality standards that the community has come to expect of the College's teaching and learning program. College Council is conscious of the increased cost of living pressures and as such the parent payments have not significantly increased for the 2026 school year.

Mount Ridley P-12 College understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund to eligible Health Care/Pension Card holders
- Centrepay
- Individual payment plans
- State Schools Relief

Ms Nancy Wain (email: Nancy.Wain@education.vic.gov.au or ph. 83383600) is available to discuss possible support and payment options. Any information about your financial circumstances, payment arrangements or status will be kept strictly confidential.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
