A brief note from our College Principal

I am delighted to acknowledge the remarkable achievements of the Year 12 Class of 2025. Their VCE results reflect an exceptional level of commitment and perseverance, and they stand as a testament to the high standards our College continues to uphold. As the 11th group of graduates to complete their schooling at MRC, they have strengthened a proud tradition and contributed meaningfully to the character of our community.

Throughout their final year, these students have demonstrated maturity, purpose, and a genuine desire to excel. They have approached their studies with determination, supported one another through challenges, and embraced the values that define our College. Their conduct and dedication have been exemplary, and they leave behind a legacy that will inspire future cohorts.

The success of the Class of 2025 is shared with the families who have encouraged them and with the staff who have guided and supported them along the way. This partnership has created an environment in which students are able to thrive academically, personally, and socially.

To our graduating students, thank you for the energy, leadership, and spirit you have brought to the College. We are proud of all you have accomplished and look forward to seeing the opportunities and pathways you pursue with confidence and purpose.

Lino Pagano
College Principal

VCE- Vocational Major Award

Edmund Soakai received our **VCE Vocational Major** award in 2025 for his commitment and success in his VM program.

Edmund has shown a keen interest in the Engineering field through his studies. We are excited to see him apply his skill and determination to his future path, where ever it may lead.
